## ***PREFACE***

We are happy to declare that **Bright Future Foundation Trust - BFFT** has progressed well to the satisfaction of its management and clientele group. We are happy to inform that we are working in two states such as Delhi and Telangana.

Bright Institute of Management & Technology (BIMT) is a vocational training Institution and a valuable part of BFFT. BIMT is also an **ISO 9001 : 2008 Certified** from JAS-ANZ Board. It is a national IT development centre of India which provide **vocational training life-skill up-gradation, production, marketing, micro-credit, job opportunities and micro-business enterprises** form the fiber of this institute.

As an initiative to take the gigantic challenge of poverty and unemployment that Indian states face today, BIMT's concern and mission is to improve the quality life of the vulnerable poor by creating opportunities whereby they can acquire vitally needed market driven vocational skills that, in turn, assist them to meet their economic needs.

In the new strategy we have decided to work more closely with in India's state to employment to youth and women empowerment and development education etc. Our main areas of concern are natural resource management and development, technology for rural development, scheme for empowerment of rural women, human resource development, capability development, rural industrialization. We have thus now a changed vision and mission.

We wish cooperation of all our funding partners and the people in general with whom we are working.

**New Delhi  
16 Mar, 2015**

**M.K.Baghel  
Chairman, BFFT**

**h) About Bright Future Foundation**

Bright Future Foundation Trust is a non-governmental and non-profit making organization (NGO) based and working in urban areas Delhi in India.

Bright Future Foundation Trust (BFFT) also engages in community activities where a dedicated team of outreach workers work actively in the urban Regular community meeting are held by the staff to actively **bring about awareness on rights and community mobilization**. The work in the Community Outreach Program mainly deals with awareness on child rights, education, cleanliness, disabilities, health, pregnancy (immunization, medication, nutrition, Auxiliary Nurse Midwives and registration with govt. hospital) and sending small children to Angan-badi schools. Awareness camps, disability camps and health camps are organized regularly. BFFT also helps district authorities in organizing camps for children, youth women.

Bright Future Foundation Trust (BFFT) also provides **6-months vocational training (Computer Education) for women & youth** who learn skills to increase their employment potential and

are thus empowered to become independent wage earners in Call Center, Shopping Mall & MNC company or go on to start their own small work units of Computer related So far, **over 1200 Youth & women of Delhi areas have benefited from this program.**

**At present, we serve a total of 5 communities in Delhi and Telangana directly.**

- BFFT has also helped children to get medical aid from government and other institutions.
- BFFT is also instrumental in discouraging child labour and motivating them to pursue education.
- Parents of disabled children were made aware of and assisted in obtaining the necessary certificates (Disability) to enable them to avail benefits of schemes started by the Government.

**BFFT has organizes 5 awareness camps, Skill Development camps and 6 health camps independently** as well as in collaboration with Local Community & Hospital to ensure that people get their rights and basic medical facilities since good health was prerequisite to be attached to regular education.

**i) AIMS :**

Integrated development of SC, ST and OBCs by self initiative and people's effort .long term

## **OBJECTIVES:**

- ▲ Raise means and measures for funding the developmental activities.
- ▲ Promote and maintain cooperation, alliance, linkage, working together, networking and advocacy.

## 2. REPORT ON ACTIVITIES DURING THE YEAR 2014-15:

The activities initiated in the earlier years were continued and replicated to the extent possible within the financial and management constraint. The performance during the year has been as summarized below :

ACTIVITIES	PROGRESS ACHIEVED
<b>1. Continuing Education in Computer Literacy</b>	27 Youths were made literate in the Sangam Vihar, with the help of some different different NGOs i.e. EFRAH, Save the children, Bal Raksha Bharat . They have been made aware to participate in development programmes. And more than 300 Youths made beneficiary by BFFT self-projected in Delhi and Telangana.
<b>2.Improving Health status</b>	<ul style="list-style-type: none"> <li>▲ A consistency has been maintained to educate about health, hygiene, sanitation to the rural poor. They are taking preventive and curative health care.</li> <li>▲ Maintained continuity of health awareness camp and conducted 2 camps on health, hygiene, balance diet, safe drinking water, protecting from frequent sickness and seasonal diseases.</li> <li>☛ A shift has taken place from magic healing to scientific treatment both by public health care outfits and utilizing private practitioner services.</li> </ul>
<b>3. Protection and preservation of environment</b>	<ul style="list-style-type: none"> <li>☛ Continued bringing more and more people in environmental awareness preservation and promotion by organizing 2 camps in a cluster of 2 slum areas.</li> </ul>

	<ul style="list-style-type: none"> <li>▲ Educated 156 men and women about community environment, community environment, family environment and protection of the area from environmental hazards by not creating different kind of solution such as excessive use of pesticides, cutting and falling of trees, water pollution etc.</li> <li>● Confidence and faith has been created that natural eco-system and environmental balance need to be preserved for good rain, heat and cold for healthy living.</li> </ul>
<p><b>4. Adoption of small family norms</b></p>	<ul style="list-style-type: none"> <li>▲ Have made aware 220 couples about need and importance of small family of 1-2 children as poverty is the net result of large number of children.</li> <li>▲ Family counseling has also been initiated in a number of villages, eligible couples are taken into confidence and then advice to plan their family according to their wishes so that there is a family of wanted of children instead of unwanted.</li> </ul>
<p><b>5.Control on HIV/AIDS</b></p>	<ul style="list-style-type: none"> <li>▲ Acknowledging the need of prevention of HIV and AIDS.</li> <li>▲ Have initiated educational programme for the men and women.</li> <li>▲ In the rural areas problem is aggravating on account of the fact the most of the earning young men are migrant worker in the cities and industrial areas. Sex is a weak point in the life so there are chances of transmission of HIV/AIDS by the husband to the innocent wife who are 95% illiterate.</li> </ul>

<b>6. Consumer protection from exploitation</b>	<p>Three camps were organized for 78 men and 62 women on their right to protect from exploitation from the business houses , business communities, service providers under Consumer Protection Act of Government of India . They were educated and trained about the methods , manners and legal provisions protecting themselves.</p> <p>They were also trained in the procedures of protecting their interest by filing their legal cases in the District Consumer Forums.</p>
<b>7 Legal Counseling</b>	<p>Extended legal guidance to about 64 poor families and protected them from wasting money on literacy.</p>

### **3. Summery**

We are glad to inform that we have launched new Learning Centre in Delhi's two largest slum areas i.e. Sangam Vihar and Chauhan Banger-Seelampur. The authorization code of B-Block in Sangam Vihar is BIMT\LC\015 and C-Block in Chauhan Banger-Seelampur is BIMT\LC\014. We have admitted more than 50 students in different-different courses in computer trades and many students have passed out, as same as we have admitted more than 20 students at our Chauhan Banger Centre. We provide them other than their course, The knowledge of Personality Development, Interview Preparation, Prevention of HIV and AIDS, Women Empowerment, Organize Health Camps.

We have trained more than 250 students in 2014-2015 year in our two existing centres in Delhi and trained 179 students in the same fiscal year in Telangana. Many of these students having good job in various companies in their locality. We were organized many lectures on "How to win their aim" and "How to prepare yourself" for our existing and non-existing students in different-different Institutions and Organizations.
